Allow me to present to your attention luxury residential complex of 53 unique villas sitting gently on the side of a hill, with every villa standing on a different height.

The prestigious position of this complex overlooking the coastline allows every villa to enjoy endless panoramas of the Mediterranean Sea. A soothing vision for the soul.

Descending from it is Puerto Banús, where a luxurious offering of designer boutiques, sport cars parading, exclusive nightclubs, and fine dining experiences populate the picturesque waterfront.

Sharp lines and the finest materials are the unique traits of the luxury villas. Like supernatural gems emerging from the land itself, they are named after the most precious stones.

There are three types of villas:

DIAMANTE VILLAS (6 bedrooms)

ZAFIRO VILLAS (5 bedrooms)

ESMERALDA VILLAS (4 bedrooms)

Majestic and superb, the Diamante Villas are spread over four levels, hosting 6 bedrooms and known for having no compromises. Spacious roof terraces with breathtaking Mediterranean views are the perfect setting for family and social gatherings, while the extensive swimming pool and luxuriant gardens make these villas the perfect setting for an unforgettable holiday that can last for a lifetime.
